"The Danube Garden in front of the ARCOTEL Nike is the perfect starting point to visit the nearby highlights of the art and culture mile, such as the Brucknerhaus, the Lentos Art Museum and the Ars Electronica Center," says Dr. Renate Wimmer, owner of the ARCOTEL Group. Themenzimmer

Kepler Suite

The Kepler Suite is dedicated to the natural philosopher, theologian, mathematician, astronomer and astrologer Johannes Kepler. The windows show in the direction of the Johannes Kepler University. Atmospheric colours such as white and blue stand for elements, such as metal. In addition, the Kepler Suite has a meeting table that can accommodate up to 12 people and a private bar area.

Circle Suite

The Circle Suite impresses with its extraordinary round elements: The round bedroom window has a diameter of 2.50 meters and offers a fantastic view of the Danube and the neighboring Mühl-viertel. Shaped like a porthole of a ship, it is directed to the banks of the Danube.

Steel Suite

With the Steel Suite, the decades-long tradition of the city has been brought to the ARCOTEL Nike. Steel was manufactured in two different qualities: stainless steel for bath, bidet, toilet and washbasin and steel for bed, bedside tables and coffee table. This was subjected to an artificial corrosion process and thus rusty.

Culinary highlights at uferei

Since March 2019, Linz has been enriched with the "uferei". The stylish interior with traditional elements such as wood and slate, complemented by modern materials, invites everyone to feel welcome. The cozy sun terrace is already a meeting place for young and old. Whether for a brunch, a relaxed lunch with friends, a cozy coffee in the afternoon or a stylish dinner for two: the uferei offers the right ambience for every taste.

The menu reads like a Who's Who of Austrian cuisine. Traditional dishes such as boiled beef, veal escalope, Wiener Schnitzel or even unusual burger compositions are top priority. Under the motto "U99", the uferei promises to source the majority of its high-quality fresh products from within a radius of no more than 99 kilometres. Thus, regional quality and a good partnership with the suppliers are also emphasised here. The homemade specialities and pastries by uferei invite you to spend some cosy hours directly on the Danube.
