ARCOTEL Onyx – On the Stage of Life

In May 2012, the ARCOTEL Onyx opened its doors: set right in the middle of the stage of life, the Reeperbahn, is the Hamburg 4-star superior hotel ARCOTEL Onyx. The 215 rooms and suites have been carefully selected and impress with their individuality, modernity and quality.

Inspired by the „Dancing Towers“

The dark facade of the building is reminiscent of the black gemstone onyx. From the outside the hotel is dark, but inside it is elegant and decorated in warm colours. The name Onyx stands not only for the stone, but also for the connection of man and woman. "On" here stands for "at", "X" and "Y" for woman and man - an allusion to the adjoining building "Dancing Towers". These should represent a couple dancing to a tango. The 4-star superior hotel is like a large elegant ship in the safe harbour and serves as a perfect starting point: St. Pauli neighborhood, Hafen City, commercial district and theaters are in the immediate vicinity. "With an excellent location in the center of St. Pauli, the ARCO-TEL Onyx is the ideal starting point for extended shopping and business meetings.", says Dr. Renate Wimmer, owner of the ARCOTEL Group.

Themerooms

„Kiez“ Room

A tribute to the Reeperbahn: Violette designer sofa, kiss bed head and a dance pole provide the plush factor, while the showcase, which is equipped with original exhibits from the St. Pauli Museum, let's guests experience the life and development of the neighborhood.

Nautical Room

The typical wooden yacht floor and the sloping wall of the room promise a real ship's feeling. Maritime flair is spread by decorative elements and impressive shipping pictures, as well as the blue-bright real-acting porthole in the bathroom.

Musical Zimmer

This is where the music is playing! The Musical Room was equipped in cooperation with "Stage Entertainment" in the style of the Hamburg Musicals. Highlights are the extraordinary boxing-style sofa, the box-ring bed and the exclusive pictures from the rehearsals of the musicals for the premieres in Hamburg

Viennese charm at breakfast and at the bar

The WIENER BISTRO in the building of the "Dancing Towers" greets its guests in the morning with a fresh and lively atmosphere. For a great start into the day, a full breakfast is served. And whatever coffee specialty is fancied: The hotel's own bar WIENER CAFÉ is a successful blend of cosy bar and classic coffee house. Here they serve the most famous Austrian coffee specialities, cool drinks, cocktails, cold and warm snacks during the day in a cosy atmosphere and for all night owls.

Enzis and Enzos from Vienna

For the opening, Dr. Renate Wimmer, owner of the ARCOTEL group, sent "Enzis" as a greeting from Vienna and established a piece of Vienna in Hamburg. The geometric seating has become an eye-catcher and a multicultural stopover for visitors and passers-by. Through interactions with young artists and sprayers from the Hamburg neighborhood, the „Enzi Enzo Park“ continues to grow.
